

Preventing abuse and neglect of adults at risk during Covid-19

Services and support in Newcastle

The following document includes weblinks and contacts for some of the main services and support that might prevent abuse or neglect happening during Covid-19.

It is focused around some of the identified key risk areas at this time. It is not an exhaustive list; the webpages listed in the first section provide useful overviews and links to more specific services.

1. [Overarching webpages covering local support services and information](#)
2. [Domestic abuse support and services](#)
3. [Self-neglect support and services](#)
4. [Family carer support and services](#)
5. [Mental health and wellbeing support and services](#)
6. [Financial abuse/exploitation support and services](#)
7. [Sexual exploitation support and services](#)
8. [Substance misuse support and services](#)
9. [Support/services for people in poverty and financial hardship](#)
10. [Housing, accommodation, homelessness support and services](#)

These services and support are generally pre-safeguarding, aimed at the prevention of abuse or neglect. If you have a concern that someone is already experiencing abuse or neglect, please use your usual reporting arrangements or report directly to:

Adult Social Care: 0191 278 8377

Where someone is in immediate danger, always ring 999.

The information included in this document is correct at the time of writing and will be updated as required (June 2020).
