

Introduction to Safeguarding Training

This training is Ideal for staff and volunteers, this online session delivered via Zoom will give you an overview of the key issues about safeguarding for both adults and children that every community organisation, charity or social enterprise needs to know.

Through a combination of presentations, activities and discussion, participants will have the opportunity to learn how to identify and respond to safeguarding concerns in community settings. It's a safe space in which to share best practice, discuss ideas for different scenarios and ask questions. This training is delivered three times a year.

Learning Outcomes:

- To have an **entry level** understanding of safeguarding
- Know to how to recognise and report abuse or harm
- Understand the importance of responding to safeguarding concerns
- Feel able to begin making safeguarding part of your day to day activities

How to sign up:

Sign ups are via the Connected Voice website. Press this [link](#) here to sign up.

Role of Advocates in Safeguarding

This training is an online session, delivered via Zoom and is ideal for anyone in a VCSE organisation working with vulnerable people, so that you can refer appropriately.

It will give you an understanding of the role of the advocate in safeguarding, explaining how advocates work in the community and under the Care Act to ensure people are central to any safeguarding measures taken on their behalf by the relevant Local Authority. This training is provided twice a year.

Learning Outcomes:

- Understand the basics of safeguarding – who it applies to and when it applies
- Understand the role of an advocate in keeping people safe in the community
- Know the legal duty to have an Independent Advocate in safeguarding enquiries
- How you can keep the people you work with safe and empowered
- How to refer for an advocate

How to sign up:

Sign ups are via the Connected Voice website. Press this [link](#) here to sign up.
