17th – 21st November 2025

**You're invited to take part in the
'Safeguarding Cake Swap'**

As part of Safeguarding Adults Week, we would like to invite organisations to hold a cake swap.

In exchange for a cake, people bring in non-perishable food items to be donated to a local foodbank which they will swap for cake!

Agencies can use this opportunity to promote Safeguarding, by:

- Raising general awareness**
- Have a quiz**
- Share information**
- Share resources that can be used for professional development**
